### **BIOGRAPHY**

Ms. Ekaterina KOZYREVA is an assistant lecturer at Moscow State University of Transport Engineering (MIIT) since 2014 and a head of International relations Department at RZD Passenger Stations Directorate (has been working there since 2009). In 2007 she got a Lomonosov Moscow State University Master degree in Geography and in 2014 completed Ph.D. studies at Institute of Geography of Russian Academy of Sciences.

She worked as a researcher at Lomonosov Moscow State University (Laboratory of Regional Analysis and Political Geography), as an analyst at Russian consulting companies (Institute for Regional Policy and other) and she is currently responsible for international affairs of Russian stations and simultaneously for university study course *Modern Practice of Station Management. International and Russian approaches*.

In 2013 she acted as organiser on behalf of RZD of the IV Next Station conference held at Kazansky railway station.

Married, two children.
